

March 1, 2022

Kids' Stuff Parents,

On behalf of the Kids Stuff Board of Directors, I am writing to ask you to consider sitting on our Board. As a not-for-profit organization, Kids Stuff is required to report to a Board of Directors. The Board meets monthly to review, direct and vote on a variety of topics related to the overall operation of Kids Stuff.

Serving on the board has many benefits, both personally and professionally. A board role can provide personal growth opportunities and can be highly beneficial for your career. You can grow your professional network, strengthen a variety of skills, gain exposure and insight, and have a direct impact on the care of your child's (and others) future care.

Kids' Stuff relies on volunteers to fill the legally required spots and unfortunately, our numbers are getting smaller and smaller. We are reaching out to every Kids Stuff family in hopes that you may be willing to provide your insight and expertise to, what I'm sure we can all agree is, a valuable organization within Chatham-Kent.

There are a multitude of roles available depending on your skillset and interests. If you want to know a little more before getting yourself into something (hey, we get it!), please reach out to your site supervisor and they can put you in contact with one of us! We will be happy to review roles and expectations before you make a commitment.

Thank you in advance and we hope to see some new faces around the zoom board meeting!

Kind regards,

Jacquie Cartwright  
President  
Kids' Stuff Board of Directors
